The Satoshi.Yoga Subscription is our gift to the world of Yoga. This 'Digital Newspaper' subscription is a one time, one year subscription. No automatic renewal is set to be surprised.

You can download the previous issues and contribution to the next ones. Our platform is created to give you the power to create and share your knowledge about yoga, be the best source of truth, give and receive.

The Satoshi.Yoga magazine is the digital version of a traditional newspaper published at regular intervals. You access the entire publication and you can download it to a device with access that is conditioned upon continued subscription payment.
